### Summary

Anthony is a UK Qualified lawyer with over 20 years of practice. He is a specialist in infrastructure, construction and PPP projects and has advised on many major PPP projects in transport, health, education, defence, accommodation and waste and energy in Europe, Middle East and the Far East and Africa

He is a member of the UNECE Business Advisory Board and Head of the UN's PPP Specialists Rapid Reaction Team set up to give practical aid and advice to countries in their PPP implementation programmes and is an associate expert in PPP Capacity Building with UNDP. He has assisted the United Nations Economic and Social Commission in drafting its Road PPP Guidance documentation and has recently carried out a feasibility study for PPP implementation in Mongolia on behalf of the Mongolian Government and is currently working on a World Bank PPP project in India and also in Mongolia, as well as energy projects in the UK.

Anthony has lectured extensively on PPP related topics and has worked with UNDP, United Nations Economic and Social Commission Asia Pacific, UNECE, the Moscow School of Economics, the World Bank and Asia Development Bank in the Asia Pacific region and Eastern Europe developing PPP Capacity Building and drafting standard PPP guidance and PPP contract documentation.

His international experience in PPP is considerable.
